

THIS MAKES NO SENSE AT ALL WHY WOULD THEY TRY TO TAKE THAT AWAY IF THE CUSTOMERS WHO LISTEN TO IT ARE PAYING BASICALLY TO HEAR THIS KIND OF PRIVILEGED INFORMATION, I LIVE IN A VERY HIGH TRAFFIC CITY AND HAVE LISTENED TO THE NORMAL RADIO STATION TRAFFIC REPORT AND THEY DONT HELP ME ONE BIT, ON THE OTHER SIDE I LISTEN TO THE XM RADIO BROADCAST OF TRAFFIC AND IT IS VERY HELPFUL BECAUSE ITS THERE WHEN I NEED IT. IF I WANT A NORMAL RADIO STATION TO TELL ME ABOUT TRAFFIC I EITHER HAVE TO FLIP THRU STATIONS AND SIT THRU COMMERCIALS WHILE I FIGURE OUT WHY I'M STUCK IN TRAFFIC, IF ANY THING THEY SHOULD LET XM KEEP THIS SERVICE REASON BEING THAT WE THE LISTENERS OF XM RADIO PAY FOR THEIR BROAD CAST AND THIS IS JUST ONE OF MANY PRIVLEDGES WE HAVE BY BEING ONE OF THEIR SUBSCRIBERS.
